

MediCare Waschtisch- Einhebelmischer

Basin mixer MEDICARE is made from a lead-free material and it has a clean visual design with round, smooth lines, and joints have been kept to a minimum. The mixer has clear color markings on the lever and extra-long spouts to easily access the water jet. The aerator is angled at 32 degrees, which optimizes the aim of the water jet in the basin. The mixer also has FM Mattsson's well-known energy-saving solutions and functions such as cold start and soft closing.

About the collection

FM Mattsson MEDICARE collection has been designed in close collaboration with healthcare professionals. A new collection that emphasizes hygiene, accessibility and sustainability and has been developed to meet the specific needs of the healthcare sector and make daily life easier for people with reduced mobility and orientation capacity.
