

9000XE rinse mixer

Designed to meet the demanding requirements of professional kitchens, this mixer combines a sleek, durable design with materials that are easy to clean and keep hygienic. It is completely lead-free and equipped with easy-grip handles as well as a built-in diverter function that makes it simple to switch between the spout and the flexible spray nozzle.

The mixer responds quickly to changes in pressure and temperature, ensuring a consistent and safe water temperature. The automatic hot-water lock also provides complete scald protection. Delivered with a 10-year 9000XE functional guarantee for extra peace of mind in everyday use.
