

9000XE shower kit

9000XE shower kit is our complete shower kit with a mixer and shower set in chrome. The mixer, combined with the large nozzle, delivers a pleasant shower experience with good pressure and an ample jet range without wasting water. The shower kit is easy to install in all types of bathrooms and can be supplemented with a tub spout.

This product is LEED/BREEAM compliant, which means it meets the flow rate requirements applicable to certain new buildings and conversions.

Article number: 86821000 **RSK:** 8283259 **Flow 3 bar:** 6.0 l/m
