

PURIFY FLEX ADVANCED

PRODUCT CHARACTERISTICS

Art.no	FMM 1615-0024 / Mora 720212
Number of UV LEDs	24
LED power output	30 mW
Total power output	720 mW
Guaranteed active operating time UV LED	6000 hours
Input voltage	24 VDC regulated
Power consumption	Active: 68 W, Standby: 500 mW
Electrical connection	Via waterproof connector
Weight	1200 g
Installation length	260 mm
Diameter	65 mm
Water connection	In: Internal coupling G½ Out: External coupling G½
Water temperature	Max 35°C
